**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who SUPPORTS BROADBAND COMPETITION! I subscribe to a competitive provider, SONIC, and I do not want this ability to CHOOSE a competitive internet provider eliminated. I say NO to price hikes that will increase the cost of internet services (and telephone services too!).

Broadband is critical for my home, for internet services/wifi (and mobile use of wifi!).

Please listen to the consumer, and do not allow big telephone companies like AT&T to deregulate....because we know that the latter will result in a massive price hike for all broadband customers!

Thank you for your time.
